## EDUCATION

**ARCHBISHOP EDWARD A. MCCARTHY HIGH SCHOOL** 2021 - 2025

Class of 2025

GPA: 4.24

**UNIVERSITY OF CENTRAL FLORIDA** 2025 - 2029

Major: Computer Science and Integrated Business

Class of 2029

GPA: n/a

## EXPERIENCE

**PRESIDENT – CHRISTIAN’S COLLECTION, INC.** 2025-PRESENT

Founded and led a resale and e-commerce company specializing in liquidation assets.

Oversaw all aspects of business operations, including:

- **Business & Strategy:** Directed sourcing, listing, pricing, and selling of inventory across multiple platforms, ensuring consistent profitability and growth.
- **Marketing & Web Management:** Managed company website, SEO optimization, and online presence to maximize visibility and customer acquisition.
- **Vendor & Customer Relations:** Built and maintained relationships with manufacturers, suppliers, and customers to support long-term partnerships and repeat business.
- **Warehouse & Logistics:** Supervised warehouse operations, including inventory control, categorization, quality inspection, packaging, and on-time shipping.

- **IT & Systems Administration:** Maintained backend IT infrastructure, including email systems, phone lines, employee accounts, and data security protocols.
- **Finance & Compliance:** Handled corporate finances, including budgeting, tax filings, Florida reseller's permits, and bank account management.
- **Leadership:** Recruited, trained, and managed multiple employees, fostering a productive and efficient work environment.

## **PRODUCTION TECHNICIAN – POTENTIAL CHURCH**

2021-2025

Operated and maintained technology systems for the church's online department, ensuring high-quality live and recorded broadcasts for a large online audience.

- **Technical Operations:** Set up, ran, and troubleshoot production equipment, including cameras, audio systems, lighting, switchers, and streaming software, to deliver seamless online services and events.
- **Broadcast & Media Management:** Oversaw livestreaming operations, online video content, and digital media production to support church outreach and engagement.
- **Training & Leadership:** Trained new staff members and mentored volunteers on production equipment, technical workflows, and best practices, building a reliable and skilled media team.
- **Collaboration:** Worked closely with pastors, worship teams, and media staff to ensure creative and technical elements aligned with service goals.
- **Quality Control:** Monitored and improved production standards, maintaining professional-grade sound, video, and stream reliability across platforms.

## **TEAM LEADER - MAVERICK ROBOTICS**

2024-2025

Led a competitive high school robotics team, overseeing the design, build, and operation of robots for local and state-level competitions.

- **Engineering & Design:** Directed the design, prototyping, and construction of competition robots, focusing on efficiency, durability, and performance.
- **Driving & Competition Strategy:** Served as the primary driver during tournaments, developing and executing match strategies under high-pressure environments.
- **Leadership & Mentorship:** Guided and coordinated team members throughout the build process, delegating tasks, solving technical challenges, and ensuring project deadlines were met.

- **Collaboration & Teamwork:** Worked closely with other sub-teams to integrate mechanical, programming, and electrical components into a cohesive and functional system.
- **Achievements:** Two-time tournament champion and two-time state qualifier, contributing to the team's reputation as a top performer in regional robotics competitions.

## **FOUNDER & DJ – C&J DJ SERVICES**

2017-2025

Founded and managed a professional DJ company, providing entertainment services for private events, corporate functions, and large gatherings.

- **Business Management:** Oversaw all aspects of business operations, including client bookings, scheduling, invoicing, budgeting, and vendor coordination.
- **Marketing & Web Presence:** Designed and managed the company website, implemented SEO strategies, and ran digital advertising campaigns to increase visibility and attract new clients.
- **Customer Relations:** Handled client communications from initial inquiry through event completion, ensuring exceptional customer service and repeat business.
- **Operations & Equipment:** Purchased and maintained professional-grade DJ equipment, managed service subscriptions (website hosting, phone, email), and ensured reliable performance at events.
- **Leadership & Training:** Recruited, trained, and supervised employees on both technical DJ skills and customer management to uphold service quality and professionalism.
- **Growth & Success:** Built a reputation as a trusted entertainment provider, consistently securing gigs and delivering memorable experiences for clients.

## **CAMERA OPERATOR - POTENTIAL CHURCH**

2020-2025

Operated professional camera equipment for live stage performances, ensuring smooth coverage and high-quality visual production.

- Collaborated with the production team to capture multiple camera angles and maintain broadcast consistency.
- Supported live streaming operations by delivering stable, audience-focused visuals.

## **MAIN EDITOR – PARKWAY CHRISTIAN SCHOOL**

2019-2021

Led the production and editing of weekly school news broadcasts, delivering polished and engaging video content.

- Recorded, directed, and compiled video footage for student-led news segments.
- Performed color grading, sequencing, and post-production editing to ensure professional-quality broadcasts.

## **ACHIEVEMENTS**

### **ENTREPRENEURSHIP & LEADERSHIP**

- Founded a successful corporation specializing in pallet liquidation and e-commerce sales.
- Head of 7121E Maverick Robotics team (2024 season), leading design, build, and competition strategy.
